RE: *Ontario (AG) v. Governor in Council*, File No. T-2233-23

Dear Registrar:

I write on behalf of the Applicant and the Respondents to advise the Court that the Applicant and the Respondents have agreed to resolve this matter by consenting to an Order setting aside the designation of the Highway 413 Project under section 9 of the *Impact Assessment Act*.

Please find enclosed a draft Order and Consent signed by counsel for the Applicant and the Respondents. If it would assist the Court, counsel for the Applicant and the Respondents would be pleased to make themselves available for a case conference to discuss the draft Order and answer any questions the Court may have at the Court's convenience.

Yours truly,

A handwritten signature in blue ink, appearing to read "Josh Hunter".
