

**TO KEEP
CANADA
STRONG
AND
FREE**

**A FEDERAL
ELECTION**
HAS BEEN CALLED FOR
APRIL 28

YOUR VOTE MATTERS

This election is critical for Canada. The world is at a crossroads, and Canadians need to choose which path we will take.

Fewer than 100 votes can determine the outcome of this election in your region. That small margin can determine if we end up with a government that will fight for environmental protections and lead us to a safe and secure future.
