

Turn Your Lawn Sign into a Flag!

BIKE VERSION

What you need:

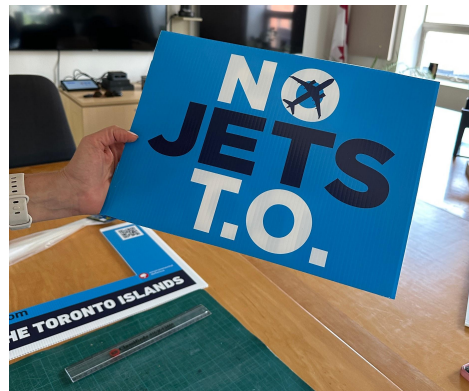

- Your sign
- Zip ties
- X-Acto Knife or Scissors
- Large Nail and Hammer or Large Screw and Screwdriver

What you do:

1. Cut out the No Jets T.O. logo with X-Acto knife or sharp scissors
2. Use a large nail or screw to make holes
3. Determine where you want to hang the sign - basket, pannier or both!
4. Thread zip ties through the hole
5. Zip tie the sign to your basket or pannier rack

Done! Ride around and spread the word!

Here are some photos of the steps

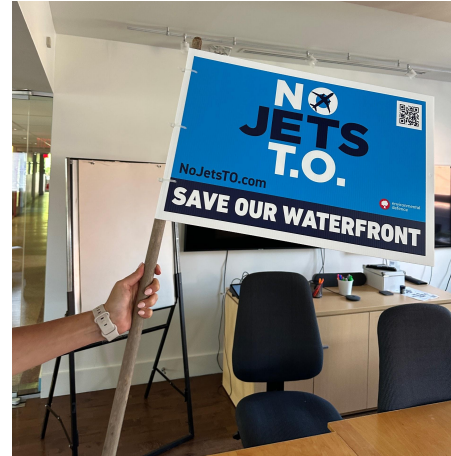

BOAT VERSION

Option 1: Flag Pole

What you need:

- Your Sign
- Zip Ties or Rope
- X-Acto Knife or Scissors
- Large Nail and Hammer or Large Screw and Screwdriver
- Your boat flag pole, broom handle or dowel

What you do:

1. Use a large nail or screw to make holes in your lawn sign
2. Thread zip ties through holes
3. Lay the sign against your flag pole
4. Loop the ties around the pole and pull tight
5. Mount the pole in your boat's flag holder

Done! Fly it proud on the water!

Option 2: Railing/Gunwale

What you do:

1. Use a large nail or screw to make holes in your lawn sign
2. Thread zip ties through holes
3. Loop them over or around your boat's railing
4. Pull tight and secure

Done! Display it from the side of your boat!
